

In accordance with 91/155/EWG

## 1. Material preparation and formulation and trade name

### Product description

Trade name:

**Strategic Implants and  
Supra-Constructions**

**Order number: various**

Manufacturer:

**Ihde Dental AG**  
Dorfplatz 11  
CH-8737 Gommiswald

Informing department:

Phone: +41 (0)55 293 23 23  
www.implant.com

Sales:

**ООО Ванвей Биомед**  
123056, Россия, г. Москва  
ул. Б.Грузинская 60, стр.1

**onewaybiomed GmbH**  
Dorfplatz 11  
CH-8737 Gommiswald  
SWITZERLAND

## 2. Composition/information on ingredients

Metal components made from titanium alloy Ti6 Al4 V

## 3. Possible risks

**No risks when the product is used according to specifications. In the rare cases that do occur, proceed as follows:**

Change clothes if skin is irritated; wash hands and skin with soap and water.

If eyes are irritated, rinse with water for 15 minutes.

If the product is swallowed or skin irritation persists, consult a doctor.

## 4. First aid measures

If swallowed: Consult a doctor; otherwise, see number 3.

## 5. Fire protection measures

The product is made from solid material. It is not self-igniting. Heating can occur at room temperature. If a fire occurs, isolate components made of titanium alloy, if possible. If that is not possible, let the fire burn out. Wear heat resistant clothing. Extinguish with dry salt or type D powder extinguisher. Do not use water, chips or other powders. Explosion risk.

## 6. Accidental release measures

Not applicable

## 7. Handling and storage

Not applicable

In accordance with 91/155/EWG

### 8. Limiting and monitoring exposure/personal protective equipment

Not applicable

### 9. Physical and chemical properties

#### General information

Format:	solid
Colour:	Silver-gray metal colour
Odour:	-

#### Change of state

Melting point/melting range:	980° C
Boiling point/boiling range:	-
Flash point:	-
Ignition point:	-
Self-ignitability:	-
Explosion risk:	-
Vapour pressure at 20° C:	-
Density:	-
Water solubility/miscibility:	-
pH value:	-
Dynamic/kinematic viscosity:	-
Solvent content, organic solvent content:	-

### 10. Stability and reactivity

No reactions known.

### 11. Toxicology information

-

### 12. Ecological information

-

### 13. Instructions for disposal

Can be disposed of with household waste.

### 14. Transport information

#### Land transport ADR/RID and GGVS/GGVE (Germany) (cross-border/domestic)

ADR/RID-GGVS/E-class (Germany):	-
Kemler code	-
UN number:	-
Packaging group:	-
Description of goods:	-

Sea transport IMDG/GGVSee (Germany) -

Air transport ICAO-TI and IATA-DGR (Germany) -

In accordance with 91/155/EWG

## **15. Regulatory information**

**EWG labelling requirement:**

No labelling required.

**Hazardous components requiring labelling:**

**Risk statements:**

-

**Safety statements:**

-

**National regulations (Germany):**

None

**Water hazard class:**

None

## **16. Other information**

This information is based on our current level of information and knowledge and does not represent warranty of product characteristics nor justify a contractual legal relationship.
